

White Chocolate Martini

Servings: 1

|

Total Time: 5 minutes

Ingredients

2 ounces Bailey's Original Irish Cream

1/2 ounce vodka

1 ounce Godiva® White Chocolate Liqueur

1 tablespoon chocolate syrup, for garnish

Milk chocolate, for garnish

Directions

Combine the Bailey's, vodka, white chocolate liqueur, and a small handful of ice in a cocktail shaker.

Shake the mixture vigorously, until frothy.

Put the chocolate syrup in a small puddle on a plate. Dip a martini or coupe glass into the chocolate syrup; swirl until the syrup completely covers the rim of the glass.

Using a vegetable peeler or grater, shave a small pile of the milk chocolate onto another small plate. Dip the chocolate syrup-covered glass into the milk chocolate shavings; move around until the chocolate shavings completely cover the syrup-covered rim of the glass.

Strain the liquid into the prepared glass. Shave some extra milk chocolate over the drink and serve.
